## Computerized Track Class Descriptions

Computerized classes will be taught lecture-style in stand alone mode. Students need to bring a fully charged laptop with CS7.1 loaded. For assistance, please contact your Gammill dealer.

**Avoiding Downtime (Day 1– 90 minutes)** No one needs quilting downtime! Learn basic maintenance routines that will keep your quilting machine in good working condition.

**Manage those Patterns (Day 1– 90 minutes)** Learn all about the integrated tools available to help you sort, search, tag, and manage your patterns in CreativeStudio and the PatternCloud. Easily find the pattern that you are looking for and never lose patterns again with the backup system available through the PatternCloud.

**Navigating CS7 (Day 1– 90 minutes)** Navigating CS7 – Learn all about the tools and resources available to you in CS7 to make your quilting time more efficient, productive and fun!

**Q & A Forum (Day 1– 60 minutes)** Ask the experts, get advice or show off your latest creations in this interactive forum. You will learn how to make the best quilting decisions and enhance the beauty of the design. Members of the class are invited to bring one piece to share and discuss potential quilting designs (as time allows).

**Statler – Trim and Fill with Ease (Day 2– 90 minutes)** Find out how to get the most out of CreativeStudio and your patterns by learning when and where to use the trim and fill features. Gain confidence knowing that you can customize that next quilt by making the patterns work for you.

**Elevate – Using CS7 to Elevate your Capabilities Even Further (Day 2 – 90 Minutes)** Expand your pattern library with CS7. Learn how to use the patterns you manipulate in CS7 on your Elevate. You will learn the ins and outs of using the PatternCloud, syncing and uploading patterns.

**Border Corner Feature for Fast Framework (Day 2– 90 minutes)** Learn to set up your border and corner patterns to stitch continuously around the corners. . Understand border and corner pattern selection considerations including type and orientation. Learn tricks for dealing with shrinkage in borders and imperfect (wonky) quilt tops. See options for finishing the bottom and side borders, too.

**Pattern Play (Day 2– 90 minutes)** Let's learn new ways to play with those patterns using Draw Pattern, Apply Pattern, Concatenation, Decorative Stitches, Text and more. We'll also look at options for altering patterns and even creating new ones!

**Draw, Design, Create (Day 2 – 90 minutes)** Learn to use the toolbox provided by Creative Studio to design, create, and modify your patterns to fit your quilt. We will be using draw arc/line, circular array, import image, and save pattern to create just the right pattern for your quilt.
